§ 206.2

cards produced prior to April 1, 2010 may be sold to a consumer on or after August 22, 2010 without satisfying the requirements of § 205.20(c)(3), (d)(2), (e)(1), (e)(3), and (f) through January 30, 2011, provided that issuers of such certificates or cards comply with the additional substantive and disclosure requirements of §§ 205.20(h)(1)(i) through (iv). Issuers of certificates or cards produced prior to April 1, 2010 need not satisfy these additional requirements if the certificates or cards fully comply with the rule (§§ 205.20(a) through (f)). For example, the in-store signage and other disclosures required by § 205.20(h)(2) do not apply to gift cards produced prior to April 1, 2010 that do not have fees and do not expire, and which otherwise comply with the rule.

2. *Expiration of temporary exemption.* Certificates or cards produced prior to April 1, 2010 that do not fully comply with §§ 205.20(a) through (f) may not be issued or sold to consumers on or after January 31, 2011.

20(h)(2)—Additional Disclosures

1. *Disclosures through third parties.* Issuers may make the disclosures required by § 205.20(h)(2) through a third party, such as a retailer or merchant. For example, an issuer may have a merchant install in-store signage with the disclosures required by § 205.20(h)(2) on the issuer's behalf.

2. *General advertising disclosures.* Section 205.20(h)(2) does not impose an obligation on the issuer to advertise gift certificates, store gift cards, or general-use prepaid cards.

APPENDIX A—MODEL DISCLOSURE CLAUSES AND FORMS

1. *Review of forms.* The Board will not review or approve disclosure forms or statements for financial institutions. However, the Board has issued model clauses for institutions to use in designing their disclosures. If an institution uses these clauses accurately to reflect its service, the institution is protected from liability for failure to make disclosures in proper form.

2. *Use of forms.* The appendix contains model disclosure clauses for optional use by financial institutions to facilitate compliance with the disclosure requirements of sections 205.5(b)(2) and (b)(3), 205.6(a), 205.7, 205.8(b), 205.14(b)(1)(ii), 205.15(d)(1) and (d)(2), and 205.18(c)(1) and (c)(2). The use of appropriate clauses in making disclosures will protect a financial institution from liability under sections 915 and 916 of the act provided the clauses accurately reflect the institution's EFT services.

3. *Altering the clauses.* Financial institutions may use clauses of their own design in conjunction with the Board's model clauses. The inapplicable words or portions of phrases in parentheses should be deleted. The catchlines are not part of the clauses and need not

be used. Financial institutions may make alterations, substitutions, or additions in the clauses to reflect the services offered, such as technical changes (including the substitution of a trade name for the word "card," deletion of inapplicable services, or substitution of lesser liability limits). Several of the model clauses include references to a telephone number and address. Where two or more of these clauses are used in a disclosure, the telephone number and address may be referenced and need not be repeated.
